

TitleWise Collection Analysis

Export Files

1. Go to catalog tab
2. Click on export titles
3. Don't change any settings and click on export at bottom of screen.
4. Click on refresh (this takes awhile for export files)
5. When finished click on view
6. Save to desktop

TitleWise Collection Analysis

1. Go to www.titlewave.com
2. Login
3. Click on TitleWise
4. Click on submit collection
5. Go through all of the steps (following instructions) clicking on next
6. Last screen click on browse (find your file on desktop)
7. Click on finish
8. Go back & this time click on view instead of submit collection
